

**SAFETY DATA SHEET**

(1) **IDENTIFICATION**

**Name:** Methigel

**Use:** Oral Supplement

**Supplier:** Vetoquinol USA (Tomlyn Products)  
4250 N. Sylvania Ave  
Fort Worth, TX 76137

**Tel:** (817)529-7500  
**Fax:** (817)529-7506

---

(2) **HAZARD(S) IDENTIFICATION**

**Hazard Classification:** Non Hazardous as defined by 29CFR Part 1910.1200  
(Special Chemical Identification: Common Name)

---

(3) **COMPOSITION/INFORMATION ON INGREDIENTS**

**Common Name:** Methigel

**Composition:** A blend of proprietary ingredients which make a flavored oral supplement. The specific concentration of the ingredients has been withheld as a trade secret.

| Chemical                            | % Concentration | Classification | CAS | Exposure     |
|-------------------------------------|-----------------|----------------|-----|--------------|
| Water                               | }               |                |     | Not Assigned |
| DL-Methionine                       |                 |                |     |              |
| Glucose                             |                 |                |     |              |
| Soybean Oil                         |                 |                |     |              |
| Malt Syrup                          |                 |                |     |              |
| Cod Liver Oil                       |                 |                |     |              |
| Cane Molasses                       |                 |                |     |              |
| Methylcellulose                     |                 |                |     |              |
| Gelatin By Products                 |                 |                |     |              |
| Ferric Ammonium Citrate             |                 |                |     |              |
| Niacin                              |                 |                |     |              |
| Calcium Pantothenate                |                 |                |     |              |
| Thiamine HCL                        |                 |                |     |              |
| dI-A-Tocopherol Acetate             |                 |                |     |              |
| Sodium Benzoate                     |                 |                |     |              |
| Riboflavin 5' Phosphate Sodium      |                 |                |     |              |
| Magnesium Sulfate                   |                 |                |     |              |
| Manganese Sulfate                   |                 |                |     |              |
| Pyridoxine HCL                      |                 |                |     |              |
| Vitamin A Palmitate & D3 Supplement |                 |                |     |              |
| Potassium Iodide                    |                 |                |     |              |
| Folic Acid                          |                 |                |     |              |
| Cyanocobalamin                      |                 |                |     |              |
| Vitamin D3 in Oil                   |                 |                |     |              |

(4)

**FIRST AID MEASURES**

| <b><u>Exposure Route</u></b> | <b><u>Symptom</u></b>      | <b><u>Treatment</u></b>                                                                            |
|------------------------------|----------------------------|----------------------------------------------------------------------------------------------------|
| <b>INHALATION</b>            | N/A                        | N/A                                                                                                |
| <b>SKIN CONTACT</b>          | Low risk redness, Pruritis | Wash affected areas promptly and thoroughly with soap and water, rinse thoroughly.                 |
| <b>EYE CONTACT</b>           | Low risk redness, pruritis | Immediately rinse eyes with water holding eyes open and rinse slowly with water for 15-20 minutes. |
| <b>INGESTION</b>             | G.I. Upset                 | If appreciable quantities are swallowed, call a physician or the Poison Control Center.            |

(5)

**FIRE-FIGHTING MEASURES**

|                                      |                                          |
|--------------------------------------|------------------------------------------|
| <b>Suitable Extinguisher:</b>        | FOAM, DRY POWDER, WATER, CO <sub>2</sub> |
| <b>Special Precautions:</b>          | None                                     |
| <b>Special Protective Equipment:</b> | None                                     |

(6)

**ACCIDENTAL RELEASE PROCEDURES**

|                                   |                                                                                                                      |
|-----------------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Personal Precautions:</b>      | None.                                                                                                                |
| <b>Environmental precautions:</b> | None                                                                                                                 |
| <b>Methods for Cleaning up:</b>   | Clean up excess material and place in a closed container for disposal. Clean spill with soap and water if necessary. |

---

(7) **HANDLING AND STORING**

**Precautions during handling:** Do not freeze.  
**Storage:** Store in a dry place at room temperature.

---

(8) **EXPOSURE CONTROLS/PERSONAL PROTECTION**

**Engineering measures:** None

**Control Parameters:** None

**Personal Protection:**

**Respiratory:** Local ventilation is adequate.

**Hand:** Not necessary

**Eye:** Not necessary

**Skin:** Not necessary

(9) **PHYSICAL AND CHEMICAL PROPERTIES**

**Appearance/Odor:** Brown translucent paste

**pH:** 5.00-6.00

**Boiling point/Range:** Not applicable

**Flash Point:** Not applicable.

**Explosive properties:** Not applicable.

**Oxidising properties:** Not oxidizing.

**Specific gravity:** 0.98-1.1

**Solubility (water at 20°C):** Partly Soluble

(10) **STABILITY AND REACTIVITY**

**Stability:** Stable under normal conditions.  
**Conditions to avoid:** Freezing and Extreme high temperatures.  
**Materials to avoid:** None  
**Hazardous decomposition products:** None

---

(11) **TOXICOLOGICAL INFORMATION**

**TEST DATA**

**Acute oral toxicity:** None  
**Acute dermal toxicity:** None  
**Skin irritation:** None  
**Eye irritation:** None  
**Human experience:** none

---

(12) **ECOLOGICAL INFORMATION**

**Persistence and degradability:** This product has no ecological impact.  
**Bioaccumulation:** Not noted.  
**Aquatic toxicity:** None noted.

---

(13) **DISPOSAL CONSIDERATIONS**

**Disposal of product and Packaging:** Dispose of in accordance with all applicable state, local, and federal laws.

(14) **TRANSPORT INFORMATION**

**U.N. Number:** None assigned  
**(CDG-CPL):** Not classified  
**Sea (IMDG):** Not classified  
**Road/Rail (RID/ADR):** Not classified  
**Class Number:** None assigned  
**Packing Group:** None assigned  
**Proper Shipping Name:** Not applicable  
**Marine Pollutant:** No

---

(15) **REGULATORY INFORMATION**

**Symbol:** None  
**R-Phrases:** None  
**S-Phrases:** S2 Keep out of reach of children

---

(16) **OTHER INFORMATION**

**Uses:** Nutritional Supplement

**Further product information:** Consult methigel technical leaflet or Vetoquinol USA website [www.vetoquinolUSA.com](http://www.vetoquinolUSA.com) for further information.
