

Nipro Disposable Syringes

- Made with a polypropylene syringe barrel, and a specially formulated elastomer stopper that allow for a smooth, accurate motion along the entire length of the barrel
- A posi-lock feature prevents plunger from coming out when withdrawn
- Designed with large flanges to give better single-hand control of syringe
- Has bold, clear scale markings to assist in making easy and accurate dosage measurements

029504	Tuberculin 1 mL 25 gauge x 5/8"	100 Count	BOX

Nipro Flomax Hypodermic Needles

- Ultra-thin needles
- Made with a proprietary grinding process that results in a sharp lancet point able to penetrate tissue smoothly with minimal trauma
- A proprietary silicone insert lubricates the needle shaft allowing it to glide through tissue
- Designed with color-coded needle hubs for accurate, quick identification
