VP Mix Impression Material

SAFETY DATA SHEET

SECTION 1: PRODUCT AND COMPANY INFORMATION	Boiling point:
Trade Name:	>150 °C
	Vapor pressure:
VP Mix Impression Materials (all consistencies, multiple flavors, colors & work/set times)	
Distributed By:	< 5 mm Hg @ 25 °C
- Name Henry Schein	Crystallization point:
- Address 135 Duryea Road	Not applicable
Melville, NY 11747	Specific gravity:
	>1
- Telephone (800) 472-4346 (800) 424-9300 (Chemtrec)	
	Solubility:
Date:	Insoluble in water
05/13/2014	Volatile part by weight:
SECTION 2: HAZARDS IDENTIFICATION	None volatile
Adverse health effects:	
	n-octanol partition coefficient:
Non-irritant for skin slight irritant for eyes	Not applicable
	SECTION10: STABILITY AND REACTIVITY
Physical and chemical hazards:	Stability:
NONE	
Hazard classification:	Stable
Non hazardous	Dangerous reactions:
CECTION C. COMPOSITION/INFORMATION ON INORFRIENTS	- Hazardous decomposition products: None to our knowledge
SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS	- Materials to avoid: No dangerous reaction known
Chemical Family:	SECTION 11: TOXICOLOGICAL INFORMATION
ADDITION SILICONE (VINYL TERMINIATED POLYSILOXANE)	Acute toxicity:
Hazardous components:	_
NONE	Non-toxic
	Local effects:
SECTION 4: FIRST AID MEASURES	Eye irritant
Inhalation:	SECTION 12: ECOLOGICAL INFORMATION
Not applicable	Environmental fate:
Skin contact:	
	No data available
Not applicable	Degradability:
Eye contact:	Non-biodegradable
Flush immediately with plenty of water.	Exotoxicity:
If irritation persists, see eye doctor.	
Ingestion:	- impact on aquatic environment: No data available.
Small quantities will pass through system.	No affect anticipated
Consult a physician	
SECTION 5: FIRE-FIGHTING MEASURES	SECTION13: DISPOSAL CONSIDERATIONS
	Product residues:
Extinguishing media:	- Destruction / elimination: Dispose in accordance with federal, state and local
- Unsuitable NONE	regulations
- Appropriate Waterspray,	- Prohibition None specifically
Foam, Powder,	Used packaging:
Carbon dioxide	- Destruction / elimination: Dispose in accordance with federal, state and local
Specific hazards:	regulations
•	- Decontamination / washing None applicable
Material can burn generating irritating gases	SECTION14: TRANSPORT INFORMATION
Specific intervention methods:	Ground transportation:
Appropriate protective equipment must be worn in case of fire	- Not regulated
SECTION 6: ACCIDENTAL RELEASE MEASURES	·
	Sea transportation:
Recovery:	- Not regulated
Collect in a suitable container for disposal	Air transportation:
Cleaning / Decontamination:	- Not regulated
Wipe up affected area with absorbent material	
Disposal:	SECTION 15: REGULATORY INFORMATION
Dispose of material in accordance with local, state and federal requipments	Federal:
	- Sara title III section 313: This product does not contain any substance subject to
SECTION 7: HANDLING AND STORAGE	responding requirements at or above de minimis
Handling:	quantities All components are either listed or otherwise comply with
Does not require specific technical measures. Note that handling with latex or rubber gloves	-TSCA All components are either listed or otherwise comply with requirements
may inhibit set. Use only vinyl gloves.	requirements International:
Storage:	
- Containers: Store in supplied packaging	- DSL (Canada) All ingredients are listed on the Canadian Domestic Substance List
- Incompatibilities: Strong oxidizing agents	(DSL) - WHMIS (Canada) Not a "controlled product" under the Canadian Workplace
- Conditions: Store away from heat sources. Temperature will affect set time	- WHMIS (Canada) Not a "controlled product" under the Canadian Workplace Hazardous Materials Information System (WHMIS)
SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION	
Paula andre annie de la contra la co	SECTION 16: OTHER INFORMATION
Engineering controls:	SECTION 16: OTHER INFORMATION Recommended use:
Engineering controls: None required	
	Recommended use:
None required Personal protective equipment:	Recommended use: See technical data sheet
None required Personal protective equipment: - Hand protection: None required	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use
None required Personal protective equipment: - Hand protection: None required - Eye protection: None required	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains
None required Personal protective equipment: - Hand protection: - Eye protection: SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use
None required Personal protective equipment: - Hand protection: None required - Eye protection: None required	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user.
None required Personal protective equipment: - Hand protection: None required None required - Eye protection: SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES Aspect: - Color: As specified	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. The health and safety information contained in this MSDS should be provided to all employees
None required Personal protective equipment: - Hand protection: - Eye protection: - SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES Aspect:	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user.
None required Personal protective equipment: - Hand protection: - Eye protection: SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES Aspect: - Color: As specified	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. The health and safety information contained in this MSDS should be provided to all employees
None required Personal protective equipment: - Hand protection: - Eye protection: - SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES Aspect: - Color: - Physical state: - Viscous fluid	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. The health and safety information contained in this MSDS should be provided to all employees
None required Personal protective equipment: - Hand protection: None required None required - Eye protection: PHYSICAL AND CHEMICAL PROPERTIES Aspect: - Color: As specified - Physical state: Viscous fluid Odor:	Recommended use: See technical data sheet Information contained herein is believed to be true and accurate, but all statements are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. The health and safety information contained in this MSDS should be provided to all employees

Not applicable Flash point:

> 450 °F (material will ash)
