

Elizabethan Collars

Sturdy and economical Elizabethan collars provide a rigid barrier, preventing the animal from biting the treatment area.

Features:

- Ideal for use after surgical procedures to prevent biting at sutures
- Prevents animal from pawing and scratching facial area
- Ideal for use after ophthalmic procedures
- Inexpensive, reusable
- Easy to assemble, just thread tabs through slits
- Collars hold together securely on the animal
- Available in both clear and opaque
- New 5 pack box to prevent damages during shipping and for easy storage
